

# CORNARO HOTEL

INFO KNJIGA  
INFOBOOK

The boundaries of the Split historic core pedestrian area are defined by star-shaped Baroque bastions, which were built by the Venetian governor of Dalmatia, Andrea Cornaro, in order to defend the city from the Turks. The central bastion was named after him and today represents the best preserved remnant of the Baroque city fortification.

Located in the immediate vicinity of the bastion, Cornaro Hotel proudly carries the name of the central bastion, and its logotype outlines this silent witness of Split's courage.

Granice pješačke zone povijesne jezgre Splita definiraju barokni bastioni u obliku zvijezde, čiju ju izgradnju u ožujku 1660. godine započeo mletački guverner Dalmacije, Andrea Cornaro, kako bi obranio grad od prodiranja Turaka. Centralni bastion fortifikacijske utvrde nazvan je upravo po njemu i danas predstavlja najočuvaniji ostatak baroknih gradskih bedema.

Cornaro Hotel ponosno nosi ime centralnog bastiona, a njegov logo ocrta oblik ovog nijemog svjedoka splitske hrabrosti koji se nalazi na samo nekoliko koraka od hotela.

## THE STORY OF THE CITY AND THE FAMOUS DIOCLETIAN'S PALACE

Dear guests,

welcome to Split - the second largest city in Croatia which is the economic, administrative, educational, sports and tourist center of Middle Dalmatia. Connected to a variety of Croatian islands, pearls of Adriatic like Hvar, Vis, Brač and Šolta, the city of Split is an ideal point for various daily excursions and our hotel-friendly, professional and educated staff will gladly assist you to find your ideal place to visit and enjoy your stay in this beautiful Dalmatian town.

Split owes its eternal youth to its inhabitants, who give it a warm Mediterranean temperament. The city has lived in urban rhythm for 1,700 years, with a heart in Diocletian's Palace and a soul that welcomes you with open arms. From then until today, the millennium duration of the UNESCO-protected city, inscribed on the World Heritage List, writes the history and present of the unique metropolis of Dalmatia.

The famous Diocletian's Palace, from which Split was born, is a unique monument of ancient architecture with its 30,000 square meters. The palace jealously preserves the story of the love of antiquity and Christianity, of the mausoleum that is today the oldest and smallest cathedral in the world, of the Temple of Jupiter, which was the baptistery of Croatian kings, of Peristyle, which today remains the most beautiful stage in the world, down to the city that represents the door of culture regions of Dalmatia.

There is no city with stronger demand for life. How loudly the steps of life echo here, in the warm Mediterranean temperament which lives in the citizens. In the evenings, Split's squares and streets come alive with youngsters and oldsters, visitors and hosts alike. Nature, past and social life are all connected in one irretrievably attractive unit. Split is a city that stays forever in a traveler's memory.

We wish you a pleasant stay at the Cornaro Hotel and the eternally young city of Split, a city with a rich history and colorful present!

## GRAD CARA DIOKLECIJANA

Cijenjeni gosti,

dobrodošli u Split - drugi najveći grad u Hrvatskoj koji predstavlja gospodarsko, upravno, prosvjetno, sportsko i turističko središte srednje Dalmacije. Povezan je s mnogim hrvatskim otocima, biserima Jadrana poput Hvara, Visa, Brača i Šolte. Grad Split idealno je mjesto za razne dnevne izlete, a naše stručno i gostoljubivo osoblje rado će vam pomoći da pronađete idealna mjesta za obilazak i uživajte u boravku u ovom predivnom dalmatinskom gradu.

Vječnu mladost Split duguje svojim stanovnicima koji mu daju topli mediteranski temperament. Grad živi urbanim ritmom već 1.700 godina, sa srcem u Dioklecijanovoj palači i dušom koja vas dočekuje raširenih ruku. Od tada do danas, milenijsko trajanje grada pod zaštitom UNESCO-a, upisanog u registar Svjetske kulturne baštine, piše povijest i sadašnjost jedinstvene metropole Dalmacije.

Znamenita Dioklecijanova palača, iz koje se rodio Split, sa svojih 30.000 kvadratnih metara predstavlja jedinstven spomenik antičkog graditeljstva. Palača ljubomorno čuva priču o ljubavi antike i kršćanstva, o mauzoleju koji je danas najstarija i najmanja katedrala na svijetu, o Jupiterovom hramu koji je bio krstionica hrvatskih kraljeva, o Peristilu koji i danas predstavlja najljepšu pozornicu na svijetu, sve do grada koji predstavlja vrata kulture regije Dalmacije.

Teško je pronaći živopisniji grad. Tijekom večeri budi se mediteranski temperament grada, trgovi i ulice grada prepuni su djece, mladih i starijih, sugrađana i turista. Split je grad koji zauvijek ostaje u sjećanju putnika.

Želimo vam ugodan boravak u Cornaro Hotelu i vечно mladom gradu Splitu, gradu bogate povijesti i živopisne sadašnjosti!

Given its famous reputation, it should come as no surprise that Dalmatian cuisine is taken very seriously, with passion and respect. Rich in fresh ingredients grown locally, wide use of olive oil and moderate daily intake of wine, its popularity lies in freshness and simplicity, gifts of virgin nature and locals who cherish tradition.

Sourcing the highest quality ingredients which are carefully selected from local suppliers, our philosophy enables us to serve you the best of the land. Sumptuous, gourmet buffet breakfast offers the original taste of Dalmatia and delightful authentic recipes which will gently awake every palate.

Nevertheless, it also expands its culinary borders to international flavors featuring breakfast specialties from around the world.

**Doručak se može poslužiti u vašoj sobi prema jelovniku posluge u sobu, uz naknadu za poslugu u sobu.**

Uzevši u obzir njezinu slavnu reputaciju, ne čudi što se dalmatinskoj kuhinji pristupa ozbiljno, sa strašću i poštovanjem. Bogata svježim, lokalno uzgojenim namirnicama, maslinovim uljem i umjerenim unosom vina, dalmatinska kuhinja svoju popularnost duguje svježini, jednostavnosti, darovima djevičanske prirode i stanovništvu koje njeguje tradiciju.

Biranjem najkvalitetnijih namirnica od lokalnih proizvođača, služimo vam najbolje od onoga što zemlja nudi. Raskošan, gurmanski doručak nudi originalne okuse Dalmacije i autentične recepte koji će zaintrigirati vaše nepce.

# SAFETY INFORMATION

---

## IN CASE OF FIRE

Cornaro Hotel has an automatic addressable fire alarm system, and our staff is trained to act in all emergencies. The hotel is equipped with fire-fighting equipment and alarms (fire extinguishers, hydrants, and manual fire alarms). In case of fire or other emergencies, hotel staff will inform you of the course of action.

Please do not use the elevator (lift), as the evacuation elevator is located exclusively at the hotel annex (rooms 101-406) and disabled people have priority on the same elevator route.

## ESCAPE ROUTES

We suggest that you become acquainted with the escape routes in case of an emergency. Try to remember where fire cabinets and manual call points are located.

## CHECK YOUR ROOM

Study the evacuation plan and fire safety procedures placed on the inside of your room door. Determine the shortest route from your room to the emergency exits. Count the doors from your room to the emergency exits.

## IF YOU DISCOVER A FIRE

If you find a fire in your room, try to extinguish it immediately and activate the nearest manual call point by breaking the glass and call the Front Desk. Try to give as much information as possible about the fire (the exact location, cause and intensity of the fire and whether anyone is trapped by the fire).

## WHEN YOU HEAR AN ALARM

When the alarm sounds, try to remain calm and follow the instructions provided by the hotel management. In an emergency, the hotel staff will assist you in leaving the hotel.

## EVACUATION

Take your key, personal documents and most important belongings. Open the door cautiously, being careful of the smoke, and follow the illuminated signs to the emergency exit. If the smoke in the hall is thick, stay in the room with the door closed and wait for further instructions. In the case of heavy smoke, move in a bent position or crawl to avoid smoke inhalation. Count the door to the emergency exit, touching the wall in case of insufficient visibility. If the emergency exit staircase is vacant, leave the hotel by following the instructions provided via the hotel sound system or by a staff member. Please do not use an elevator, as persons with disabilities take precedence over the same escape route.

## IF YOU CAN NOT LEAVE THE ROOM

If you cannot leave the room, find the safest place for you. Call the Front Desk and describe your situation. Prepare wet towels and sheets in case you need them because wet cloth is a good filter for breathing. Put it over your nose and mouth. Prevent smoke from entering the room. Fill the bathtub with water so you can wet the cloth and pour the door and walls. Place the metal waste bin next to the tub. Waving the sheet out the window, alert the firefighters that you are in the room. Do not break windows unless necessary because they can protect you from the smoke. Stay calm, don't be in a hurry unnecessarily. The hotel staff and firefighters are trained for emergencies.

# SIGURNOSNE INFORMACIJE

## U SLUČAJU POŽARA

Cornaro Hotel opremljen je automatskim adresabilnim vatrodojavnim sustavom, a naši su zaposlenici osposobljeni za djelovanje u svim izvanrednim slučajevima. Hotel je opremljen sredstvima za gašenje i dojavu požara (vatrogasni aparati, hidranti, i ručni javljači požara). U slučaju požara ili neke druge izvanredne situacije, hotelski zaposlenici će vas izvijestiti o načinu postupanja.

Molimo nemojte koristiti dizalo (lift), obzirom da je evakuacijsko dizalo isključivo u anex dijelu hotela (sobe 101- 406) i na isti evakuacijski put dizalom imaju prednost osobe s invaliditetom.

## NA PUTU DO VAŠE SOBE

Predlažemo da se upoznate s nužnim izlazima za slučaj opasnosti. Zapamtite gdje se nalaze protu-požarni ormari i ručni javljači požara.

## PROVJERITE SVOJU SOBU

Proučite plan evakuacije i način postupanja u slučaju požara koji se nalazi na vratima vaše sobe, s unutarnje strane. Na planu proučite najkraći put do nužnih izlaza. Prebrojte vrata od sobe do nužnih izlaza.

## ŠTO AKO OTKRIJETE POŽAR?

Ako u svojoj sobi otkrijete požar, odmah ga pokušajte ugasiti i oglasite alarm na najbližem ručnom javljaču požara razbivši staklo te nazovite recepciju. O nastalom požaru nastojte dati što više informacija (točno mjesto, uzrok i intenzitet požara te je li tko zarobljen nastalim požarom).

## ŠTO KADA SE OGLASI ALARM?

Kada se oglasi alarm, nastojte ostati prisebni i slijedite upute koje će vam priopćiti Uprava hotela.

U hitnim slučajevima hotelski zaposlenici će vam pomoći pri napuštanju hotela.

## EVAKUACIJA

Uzmite ključ, osobne dokumente i najnužnije predmete. Oprezno otvorite vrata, pazite na dim i slijedite svjetlosne oznake za nužni izlaz. Ako je dim u hodniku gust, ostanite u sobi uz zatvorena vrata i čekajte na daljnje upute. U slučaju gustog dima, krećite se u pognutom položaju ili puzeći kako bi izbjegli udisanje dima. Brojite vrata do nužnog izlaza, opipavajući zid u slučaju nedovoljne vidljivosti. Ako je stubište za nužni izlaz slobodno, napustite hotel slijedeći upute koje dobivate preko razglasa ili od zaposlenika. Ako je stubište zadimljeno ili zahvaćeno vatrom, potražite drugo. Slijedite znakove za izlaz u slučaju opasnosti. Nemojte koristiti dizalo (lift), obzirom da na isti evakuacijski put imaju prednost osobe s invaliditetom.

## AKO NE MOŽETE NAPUSTITI SOBU

Ako ne možete izići, ostanite u svojoj sobi – odnosno na najsigurnijem mjestu za vas. Nazovite recepciju i opišite svoju situaciju. Pripremite mokre ručnike i plahte za slučaj potrebe. Mokra tkanina je dobar filter za disanje. Stavite je preko nosa i usta. Sprječite ulazak dima u sobu. Napunite kadu vodom kako bi vam poslužila za vlaženje tkanina i polijevanje vrata i zidova. Postavite metalni koš za otpatke uz kadu. Mašući plahtom kroz prozor, skrenite pozornost vatrogascima da ste u sobi. Nemojte razbijati prozore ako to nije potrebno, jer vas mogu spasiti od dima. Ostanite prisebni, nemojte se nepotrebno žuriti. Zaposlenici i vatrogasci osposobljeni su za izvanredne situacije.
